The Food

LIL WATAN

Lil Watan provides mouthwatering authentic Lebanese food, they've even had to warn newcomers of the eternal craving they will cast on them!

MANDALA

This female-powered street food team creates fantastic tasting dumplings, handmade using traditional himalayan-inspired ingredients. The Mandala is traditionally a symbol of wholeness and that's how they strive to leave your bellies.

MOTHER FLIPPER

Using 35 day aged chuck steak burgers, Mother Flipper has maintained a solid consistency as one of the best burgers in London without having to resort to pandering to trends or gimmicks. Their standout is the Dirty Barbie, with double patty (cooked medium), cheese, candy bacon, caramelised onion and BBQ sauce - It's one to remember!

KOMEX KITCHEN

Komex focus on the fusion between Korean and Mexican dishes and have created some delicious and unique combinations! Their dishes take beautiful flavours and colours from both cultures to produce visually stunning plates that taste as good as they look!

MILKTREE GELATO

The wonderful Milktree Gelato are a event favourite! By having gluten-free, dairy-free, nut-free and egg-free alternatives, there's something that everyone can enjoy and their approach to making their delicious gelato is to use the best quality ingredients they can find, which results in mouthwateringly good gelato that take them to the next level!

The finest street food traders London has to offer are brought together under the KERB banner. You will be able to **pick a selection of amazing traders** to feed your guests - prepare to be seriously popular in your office!

PADDY'S

Sourced from the best suppliers out there, homemade chips and everything battered by hand, their knock-out food is served from a talk of the town converted Land Rover Defender.

LE CHOUX

Le Choux's central focus has always been flavour above everything. To create pastries that are fresh, served on the day they are made, ensuring that they are as crispy on the outside as they are soft on the inside. Le Choux combines their passion for artisan methods whilst celebrating great ingredients and big flavours, ensuring their delicious fillings hits you like they should.

GRILLING GREEK

The Grilling Greek is some of the freshest and most authentic Greek food in London. Importing only the highest quality and freshest Greek products like extra virgin olive oil, barrel aged feta and Kalamata olives, the Grilling Greek prepare everything, fresh, local and with love!

450 DEGREES

The perfect pizza does exist...450's goal was to make authentic neapolitan pizza and they will transport you back to naples with every bite! They've created a delicious combination of flavours and lightness to their pizzas, thanks to the italian ingredients they use, selected with huge focus on sustainability and quality.

ONLY JERKIN'

Only Jerkin' is dedicated to celebrating the spirit of the Caribbean through lip-smacking flavours. Their food is built on traditional family recipes, and takes inspiration from childhood experiences in the kitchen. Their chicken is famously triple dipped and fried, so expect some seriously delicious flavour and crunch! If that wasn't enough, they have a selection of homemade sauces, jerk seasoned skin on fries and creamy slaw!

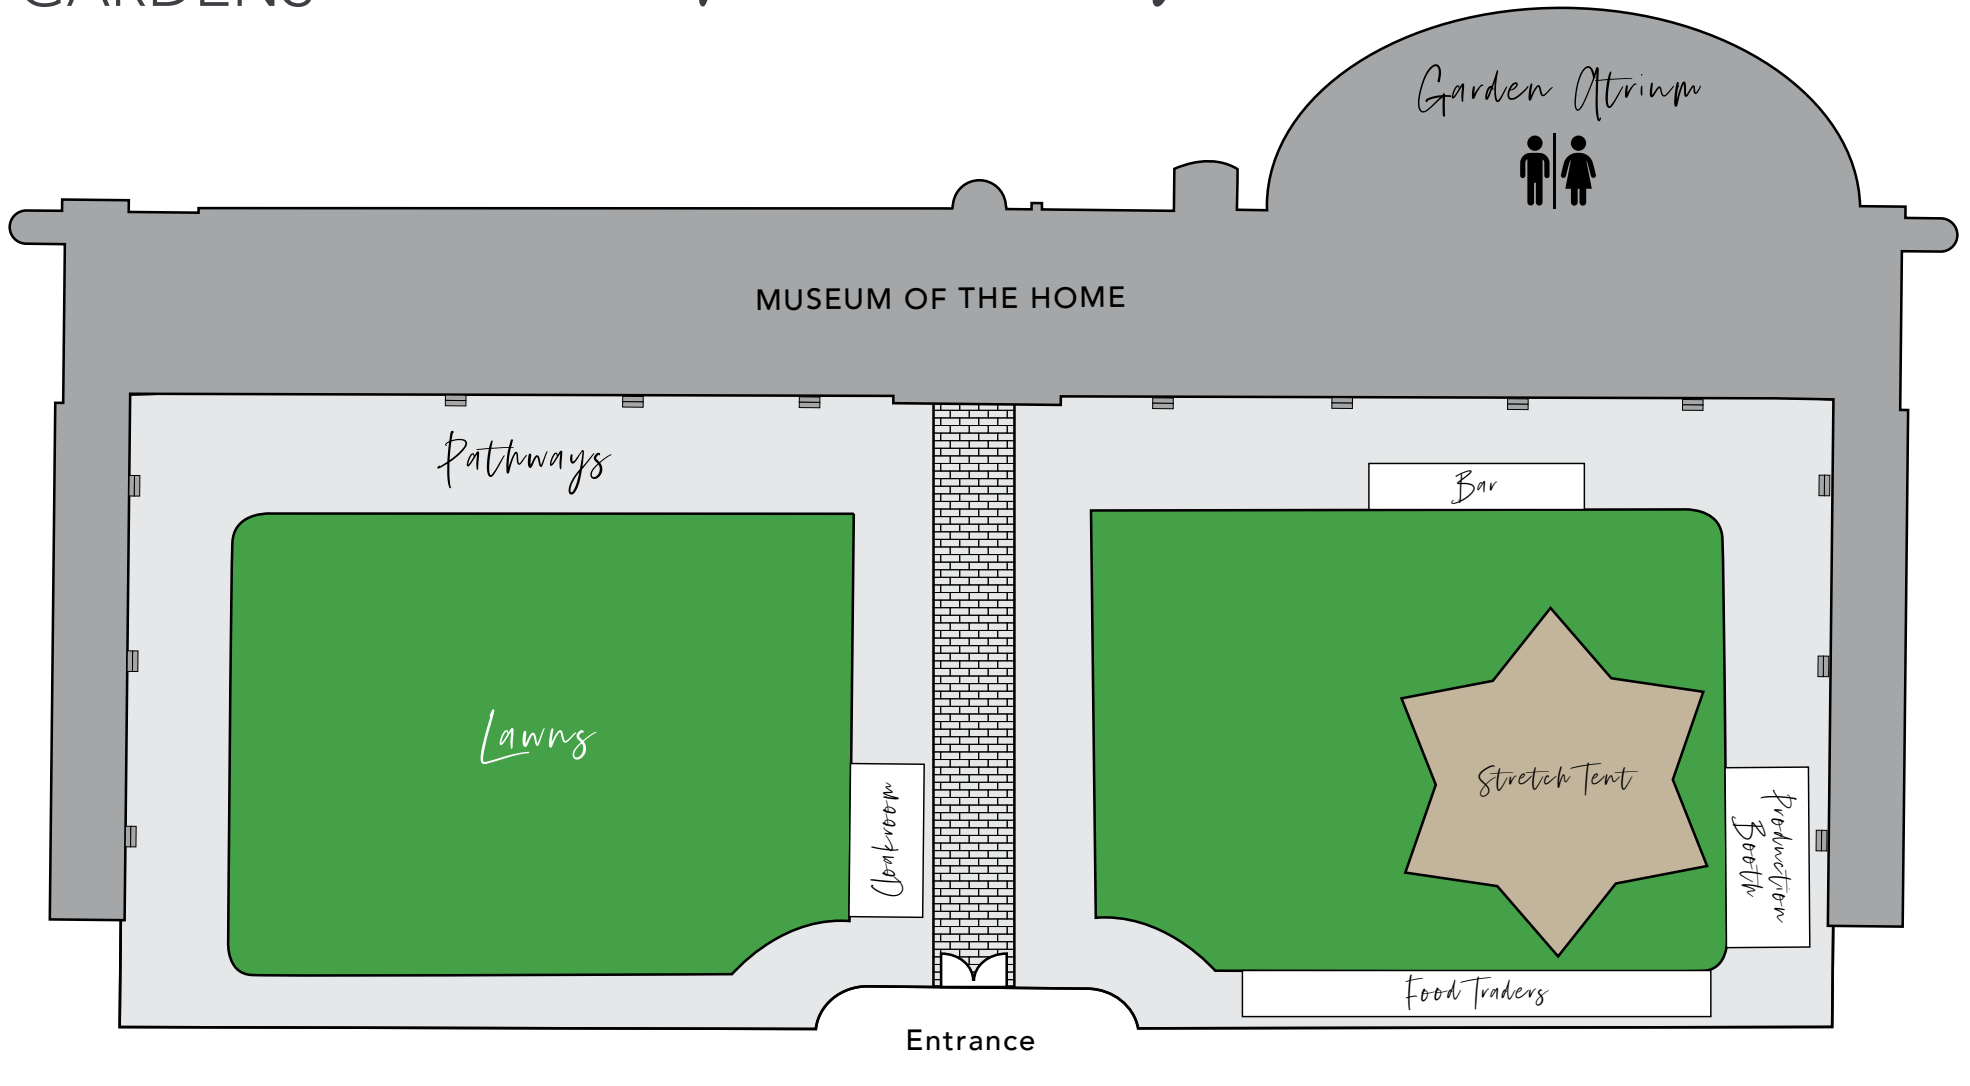

Team Building and Family Fun Days

The lawns are 1.5 times the size of an Olympic swimming pool (that's a lot of space!) meaning we can offer plenty of flexibility for family fun days or teambuilding activities. Every event is created as a bespoke event to suit your needs.
